FROM PARIS.

PARIS, March 17, 1803. The Senate has been occupied this week with of the long speeches made on the subject is that of which France must incontinently flop if the Emperor Rouland. It is a vigorous lattack upon what he calls should be assassinated. Every unhappy apeing fellow-This criticism of th Lev. He only stayed out the first three speeches, however. The young man seems to have a pretty large share of curiosity; one hears of him as here, there and ever where. their consideration. Cardinal Autonelli knew that this was to be the case, and consequently his answer was not the exact truth. It is certain that the Encyclical and the French Embassador was made to believe that it was a simply religious meeting, in which no allusion would be made to religious questions." A committee of bishops was appointed to draw up the paper, which was deposited in one of the rooms of the Vatican. Here the bishops were introduced, it not one by one in small Foreign Relations, in a jovial way expresses himself groups, heard it read by an " Itslian prelate with his Italian accept," and were called in to sign their approval. Although the concourse of hishops was made the occasion of this act, there was no deliberation in councit, no informal discussion even, no presentation of it to them in assembly. [According to M. Rouland, the whole thing was prepared by what we Americans overwhelming attack of an army of 500,000 or 600,000 should call a caucus of a few French and Italian Ultramontane party managers, and sprong or imposed on therest, the authority of ithe simple old Pope, who is in their hands, being used by way of pressure. The Marquis de Boissy. Using droll forms he presents here, Syllabus or catalogue of 86 condemned modern errors, as in other cases, the logical drift of French policy; and annexed to the Encyclical, was drawn up in France by in this droll way exposes the practically impolitic drift

The committee on the Edmonds scandal sits with closed doors, which people consider highly unsatisfactory. The general country to the second doors, which people consider highly unsatisfactory. The general country to the second doors, which people consider highly unsatisfactory. The general opinion is adverse to Lord Westburr. He is not a popular man. As The Eraminer tion of September 15." The primary purpose of the puts it: "He has no consideration for the self-love of the With whom he comes in contact, and has a pecu fold: "First, to react against our modern civilization liar art of bringing home to them nomistakably a mor- and what are styled our errors; secondly, to obtain the tilying sense of their inferiorities.
